Supervisor Gonzales seats 5th District WIB members

SAN BERNARDINO – Two members of the San Bernardino County Workforce Investment Board (WIB) were reappointed by Supervisor Josie Gonzales during Tuesday's board meeting.

Appointees Audrey Matthews and Antonio (Tony) L. Myrell serve as chairs of the WIB's Legislative Advocacy Committee and Fiscal Committee respectively.

"Each of the two individuals chosen have shown an understanding of the economic development within San Bernardino County and will help bring solutions to the challenges our County's workforce is currently faced with," said Supervisor Gonzales.

Matthews previously served as Deputy Director for the Office of the Budget, District of Columbia Government for four years: managing the formulation, preparation, execution and presentation of the City's \$4.8 billion operating and capital budgets. She also instructs as a professor emerita in public administration with California State University, San Bernardino.

Myrell is owner and CEO of Premier Medical Transportation, based in Colton. He is also current president of the Colton Chamber of Commerce.

The WIB works to craft competitive business advantages throughout the county by capitalizing on industries that already exist, and helping establish workforce solutions between the public and private sectors.

Supervisor Gonzales added, "Collectively, the WIB has become an effective brain trust that we can count on to produce imaginative and workable answers to the economic problems with the County."
